

Space Business Centres has selected Centrix to supply and manage all communications to its units. Centrix recognise the importance of modern communications technology as part of the day to day running of your business. Their service and call charges are flexible and competitively priced.

Centrix supply the latest Avaya telecommunications equipment capable of providing all of the features a business has come to expect from a leading telecommunications product.

Each Space Business Centre has a managed telecommunications system specifically designed to suit the requirements of our tenants. Centrix service offers you total flexibility, state-of-the-art IP telephones and high speed internet connections.

Space Business Centre units are all pre-cabled to a single point at the front of each unit for all services.

Centrix services include:

- No installation or set-up costs for both telecoms and internet
- No long term contract

Call rates

- Centrix provides a highly competitive call tariff offering discounts across all key destinations.

Voicemail

- Avaya Voicemail included as standard with your telephone handset
- Dial in to retrieve your messages from anywhere in the world
- Message alerts to external numbers (extra charges may apply)

Internet provision

- Centrix offers a fast, reliable, permanent connection to the World Wide Web
- No long term contracts
- Dedicated firewall protection at no extra charge

Monthly billing – no annual contracts

- All services available on a monthly basis
- Flex up and down as you need to
- Simply complete the Direct Debit mandate and services order form. Payment is by Direct Debit only.
